# SEIZE CONTROL OF YOUR LIFE & YOUR CAREER

Thousands of people lose their jobs... and millions more dread going to work.

You don't only lose your income when you lose your job. Family needs, financial commitments, your identity, and self-confidence all take a hit; a massive one.

*The Phoenix Career Principles* puts you in the driver's seat of your career by turning disruptive change to creative opportunity and job discontent into a purposeful career and life.

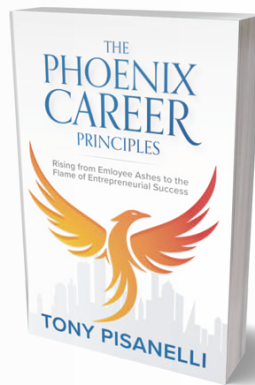

Keep your job when others are losing theirs.

Leave the job you hate to live the life you love.

Create opportunities and overcome limitations.

*'Brilliant... very much needed in the world at this time... The Phoenix Career Principles offers insight, vision, and a solid formula to provide the guard rails to protect you from disruption by turning change into future opportunity.'*

– **Kae Wagner**  
Author of 'Leadership Glu'

*'Tony is one of the most engaging guests I have had on my show. He offered practical insights that came to life. My audience was left inspired and motivated with clear next steps.'*

– **Cloris Kylie**  
Beyond Influencer Marketing Podcast Host

*'What an incredible book! I couldn't put this book down. I was hooked from the first word until the last. Tony Pisanelli did a masterful job of weaving detailed "word pictures" throughout the book that made me feel like I was the one being fired instead of the person he was describing. This is one of the best business books I have ever read. Every business professional should make The Phoenix Career Principles their own career bible!'*
